"how can i solve for today's most pressing food innovation demands?"

In this ever-evolving food culture, ADM is at-the-ready with the most on-trend, expansive portfolio and the know-how to work alongside you to create foods and drinks consumers love.

Our protein, sweetener, color and flavor advisers can serve as an extension of your own resources to help you get to market faster with on-trend eating and drinking experiences.

Proteins

ADM is at the forefront of plant-based proteins, with an ever-expanding portfolio of minimally processed, non-GMO and organic options. Our extensive selection includes everything from highly concentrated custom proteins to whole-food ingredients. Partner with ADM for solutions that deliver real-food credentials, protein and texture-based solutions — and much more. Our selection includes:

- Ancient Grains
- Custom Proteins
- Edible Beans and Pulses
- Nuts and Seeds
- Protein Crisps and Puffs
- Protein Flours and Grits
- Protein Isolates and Concentrates
- Soy Proteins
- Textured Proteins

Ingredient Systems

With ADM's unmatched portfolio of ingredients, we can help you optimize product texture, taste and appearance. ADM can design and deliver customized blends of ingredients to help you reduce development costs and enhance your speed to market. Ingredient system solutions include:

- Colors
- Extracts
- Fiber
- Flavors
- Seasonings
- Specialty Proteins
- Sweeteners
- Vitamins/Minerals

Sweeteners

Meeting nutrition, labeling, taste and cost parameters is more challenging than ever. ADM understands these challenges well and has assembled the industry's most comprehensive sweeteners and sweetening solutions portfolio and experts to help you meet your needs. From singular sweetening ingredients, to custom blends, to complete synergistic sweetening systems, ADM has the widest range of solutions to succeed in today's evolving food and beverage culture, including:

- Corn Syrup
- Dry Honey and Dry Molasses
- Monk Fruit
- Stevia
- Sucralose
- Sugar Products and Blends
- Sweetness From Fruit
- Sweetness Taste Modifiers

Colors

Naturalness represents the very essence and ethos of our colors business. With unparalleled access to botanical source materials, including fruit and vegetable foodstuffs, along with our proprietary natural extraction technologies, ADM offers an extensive and innovative line of Colors from Nature™. This collection allows you to stay ahead of current trends in an increasingly competitive market with more natural, organic and clean-label color choices, including:

- Acid Stable Blue
- Annatto
- Beetroot
- Beta-Carotene
- Paprika
- Spirulina Vegetable and Fruit Anthocyanins
- Turmeric

Flavors

Flavors help define, differentiate and distinguish every eating and drinking experience. ADM is dedicated to offering you the broadest range of solutions to flavor your products and your customers' world. We offer a diverse range of approaches, enabling us to reach further to find the best solutions for your challenges. Our team of flavor creation, culinary and application advisors help you innovate for specific flavor objectives.

- Extracts and Distillates for Clean- and Clear-Label
- From-the-Name Source Flavors
- Mint Oils and Flavors
- Natural Flavor Systems
- Real Foodstuffs
- Taste Modifiers
- Varietal and Origin-Specific Flavors

If you're looking for something new, unique or on-trend for your food business, make ADM your first call. We'll work with you to deliver the insights, tastes and ingredients that satisfy today's ever-evolving consumer preferences. To feed your food business, visit ADM.com.
